(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Organizational Grant Program contracts with arts organizations across the County to provide art services. Grants for concerts, theatre and productions, exhibitions, in-school and out-of-school arts education and core operations help these organizations enrich the lives of County residents.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the recommendations of the Arts Commission for Fiscal Year 2009/2010 Organizational Grant Program to 153 nonprofit arts organizations at a cost of \$4,418,000.
2. Instruct the Arts Commission Executive Director to prepare, sign and execute these contracts after County Counsel approves as to form.
3. Delegate authority to the Arts Commission to reallocate forfeited grant awards, not to exceed \$100,000 in aggregate, to existing Board-approved grantee organizations and instruct the Arts Commission Executive Director to amend these contracts accordingly.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to disburse grant funds allocated by your Board. This is annual implementation of the Organizational Grant Program (OGP). All organizations apply for two years of consecutive funding and all award amounts are for two years.

Organizational Grant Program I/Small Budget Organizations

The Small Organization Grant Program funds artistic or administrative advancement projects for non-profit arts organizations with budgets under \$100,000 and two years of producing history. Applicants may request grants for projects up to 15% of their annual operating budgets each year, with a minimum request amount of \$2,850/year. OGP I grant funds will be disbursed to 52 non-profit arts organizations (see Attachment A) at a cost of \$562,200.

Organizational Grant Program II/Mid-Size Budget Organizations

The first tier of the Mid-Size Organization Grant Program funds artistic or administrative sustainability projects. This category focuses on organizational support and development. Funding is provided for non-profit arts organizations with budgets between \$100,000 and \$500,000. Applicants may request grants up to 6% of their annual operating budgets each year with a minimum request of \$10,500/year. OGP II grant funds will be disbursed to 66 non-profit arts organizations (see Attachment B) at a cost of \$1,356,200.

Organizational Grant Program 2.5/Mid-Size Budget Organizations

The second tier of the Mid-Size Organization Grant Program funds artistic capacity for non-profit arts organizations with budgets between \$500,000 and \$1.5 million. Applicants may request grants up to 4% of their annual operating budgets each year with a minimum request of \$17,500/year. OGP 2.5 grant funds will be disbursed to 21 non-profit arts organizations (see Attachment C) at a cost of \$981,000.

Organizational Grant Program III/Large Budget Organizations

The Large Organization Grant Program funds annual support to non-profit arts organizations with budgets over \$1.5 million, including major Los Angeles County institutions, to ensure accessibility. The focus is on programs that increase access to cultural services for County residents. Applicants may request grants up to 0.5% to 2% of their annual operating budgets each year with a minimum request of \$35,000/year. OGP III grant funds will be disbursed to 14 non-profit arts organizations (see Attachment D) at a cost of \$1,518,600.

The Arts Commission utilized discipline peer panels to review and score all applications and to make recommendations to the Arts Commissioners. The Arts Commissioners reviewed these scores and are submitting funding recommendations to your Board for approval.

Grants amounts are awarded utilizing a formula adopted by the Arts Commission. Awards are based upon the organization's budget size, which determines the request allowable under the guidelines. A percent of the request is then awarded based upon the score assigned it by the discipline peer panel and the Arts Commissioners. Scores are determined by evaluating the organization's artistic quality and accomplishments, quality of standards-based K-12 arts education services (if applicable), services to community/audience, evaluation methodology, and fiscal and administrative competence.

Upon notification of a forfeited OGP grant award, the Arts Commission will reallocate the forfeited funds to existing Board-approved grantee organizations. The reallocation will be approved by the Arts Commissioners. Following such action, the Executive Director will notify your Board of the Commission-approved allocation of forfeited funds on a semi-annual basis.

Please note that since funding is over two-years, organizations that receive grants apply every other year. For your information, attached is a list of grants that were made last fiscal year (Attachment E) to provide you with full perspective of all arts and cultural organization that are supported through this program. A total of \$4,518,000 was allocated in 2008/2009 as follows: 73 organizations received funding in the OGP I/Small Budget category; 43 organizations received funding in the OGP II/Mid-Size Budget category; 22 organizations received funding in the OGP 2.5/Mid-Size Budget category; and 17 organizations received funding in the OGP III/Large Budget category.

Implementation of Strategic Plan Goals

The recommended action is consistent with the County Strategic Plan Goal 3 for Community and Municipal Services, as the proposed organization's contracts will "enrich the lives of Los Angeles County's residents and visitors by providing access to cultural, recreational and lifelong learning programs."

FISCAL IMPACT/FINANCING

Sufficient funding is available in the Arts Commission's FY 2009/10 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County is authorized to contract with any firm or corporation for artistic services for the residents of Los Angeles County. The contractor will be governed by the policy and guideline requirements of the Arts Commission.

CONTRACTING PROCESS

The County will pay to Contractor, in consideration of services to be performed and fulfillment of matching requirements, a specific grant award sum (see Attachments A, B, C and D).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program insures that a wide variety of cultural services will continue to reach County residents.

Respectfully submitted,

Laura Zucker
Executive Director
